

Madison Academy Elementary Handbook 2018-2019

The Mission of Madison Academy is to provide quality education in a Christian Environment that will help students grow in Wisdom, in Stature, and in Favor with God and man.

Dear Elementary Parents,

Welcome to Madison Academy Elementary School! We are blessed and honored that you have chosen us to aide in educating your child. Our goal at Madison Academy is to teach not only important academic standards, but to teach your child the love of Christ. We are a grades 2-6 school that offers a complete academic program pursuing excellence in character and academics. Our certified teachers work tirelessly to make sure that your child receives the best education possible using best practices.

Learning is not limited to the Madison Academy campus. Field trips are used to enhance and enrich our academic program. Some exciting trips offered are Space Camp, Washington D.C., Nature's Classroom, Tour of Huntsville and many more. These trips allow students the opportunity to see the applications of concepts taught within the classroom used in real life situations.

Along with daily academics, our students participate in chapel spending time in prayer, scripture and song. This student led time of the day is precious for the faculty as well as the student body. Spending time focusing on the One who makes all things possible is the perfect start to any day.

MA is a family that works together, grows together, and strives to live a life pleasing to God. It is truly a blessing to be afforded the privilege of guiding your child as they grow as Jesus did in wisdom and stature and favor with God and man. Luke 2:52

Special Instructions Regarding Sixth Grade Students

Exam exemption criteria- Exams will be given at the end of the second and fourth quarter.

- Exams are given at the end of each semester.

- The students have an opportunity to exempt exams in the second semester based off their grades and attendance.
- They must have at least a 90 average the second semester and no lower than an 80 the first semester in that subject, as well as no unexcused absences.
- Please hold on to all test material to review for exams.

Yearly Honor Roll Requirement

A student must be on the Honor Roll all four quarters to be considered for the Honor Roll award at the end of the year.

Criteria for President's List

95 or above average

- No grade below an 80, including non-core subjects.
- No conduct grade below a 1
- There are three core teachers and each teacher teaches two subjects, one “M” from any of the three teachers would automatically be considered as two “M’s”.

Criteria for Principal's List

- There are three core teachers and each teacher teaches two subjects, one “M” from any of the three teachers would automatically be considered as two “M’s”.

For sixth grade, the student can pass for the year if both semesters average together for a combined passing grade of 65. If not, the student would retake that course in the summer, either in an approved online course or through one of the local summer school programs in public school.

Grades for Sixth Grade

- Grades are submitted on the quarter system.
- Number grades will be given for core subjects.
- Letter and number grades for electives will be given, based on teacher preference.

Guideline for Daily Participation Grades - The Daily Participation Grade, which constitutes 10 percent of each student's overall grade, is based on successful observance of the rules. The grade is awarded as 5 points daily on an "all or none" basis and posted on RenWeb weekly. Most students have found that they are actually very good at carrying out the rules and that the participation points actually help their overall course average. Teachers have found that by awarding points based on the key ingredients needed in a successful learning environment encourages development of the "whole child" and reinforces the learning of valuable skills needed for future success in high school, college and the workplace.
