THE MISSION OF MADISON ACADEMY

To provide a quality education in a Christian environment that will help students grow in wisdom and stature and in favor with God and man.

A Christian education provides each child with an understanding of himself/herself in relation to God and the world in which he/she lives. Our goal is to meet the needs of the individual child so that he/she can live a life that will please and glorify God.

We will seek to provide opportunities that help develop Christian attitudes. We wish to lead the child to the knowledge and understanding needed to live by and perpetuate the ideals upon which our nation was founded. We believe Christian and American ideals go hand-in-hand.

We will work to provide high quality learning experiences and will be honest in the evaluations of our students and of ourselves.

We will strive to relate Biblical principles to everything that is taught, making these principles relevant to the students' lives now, as well as in the future. To reach our goal, Christianity must permeate the classroom and all school-sponsored activities.

This student-parent handbook outlines boundaries and expectations designed to provide a safe, encouraging, and harmonious environment in which each child can learn and flourish. It is your responsibility as parents to instruct your child(ren) at home concerning the importance of protecting their privilege to attend Madison Academy by pledging to observe the guidelines we have established. Please review it carefully, and if you have any questions, please feel free to discuss them with us.

Thank you for choosing Madison Academy. Our staff, faculty, and volunteer board of directors strive to faithfully administer the Lord's work at MA in keeping with our mission, and we look forward to serving your family in God's name.

COMMUNICATION

To assist with this, Madison Academy offers several communication resources for the MA family, which are listed below. It is the responsibility of parents/guardians and students to stay informed of policies, procedures and news.

Web Page – www.macademy.org

MA hosts an extensive Internet website. It will keep you current on events, dates and locations with an invaluable calendar tool, highlighting many of our campus activities. It has links to exciting athletic and club pages and is your gateway to subscribing to email news. It also offers online shopping tools for buying Spirit Wear. Be sure to check it regularly at www.macademy.org.

E-News

The Board of Directors of Madison Academy has authorized **E-News**, MA's email subscription newsletter service, as the formal means of communication for all up-to-date information about Madison Academy. Parents and guardians are expected to subscribe to this service in order to ensure that they have the very latest MA information. Families without access to email should contact administration, and we will honor alternative forms of communication in cases regarding formal notification of policy issues. Otherwise, administration and the MA board will rely on E-news as the school's official communication tool. We ask that all MA families take advantage of this tool by logging on to www.macademy.org, clicking on the E-News icon, and following the instructions for subscribing to MA E-News.

RenWeb

RenWeb, our school management system, offers parents and guardians access to their child's grades. Parents can monitor posted homework assignments, turn-ins, and check grades, which will be updated bi-weekly. It is the responsibility of the family to monitor grades. Any families having problems logging into their RenWeb accounts may contact the Upper School office for assistance.

Scheduling Meetings with Faculty/Staff

If you need to meet with a faculty member, please try to schedule a time to see them during their planning period or before/after school. If you need to meet with an administrator, counselor or other staff member, please contact the Upper School office to schedule an appointment. Following common business etiquette

Madison Academy

practices and calling to schedule meetings will allow us to give your issues our full attention.

E-mailing Staff

As part of routine email correspondence, we have challenged our faculty and staff to acknowledge parent emails within one school day whenever possible. We ask that you be patient with our staff and give them time to process the large amount of incoming communication they receive on a daily basis. However, if after a reasonable amount of time you feel your issue is not being effectively pursued, please feel free to let the Upper School staff know. They will help address the concern or guide you to the next appropriate level if necessary.

SCHOOL HOURS

School hours for a regular school day for grades 7-12 are from 8:00 a.m. to 2:45 p.m. The building will be officially opened by 7:15 a.m. each day. On a regular school day, the Upper School office is staffed from 7:30 a.m. to 4:00 p.m. Students who are not involved in organized after-school programs should make arrangements to leave the campus by 3:15 p.m.

All students involved in organized school activities before or after school hours or on weekends must be under the direct supervision of a sponsor, teacher, or coach.

CLOSED CAMPUS

With the exception of seniors during lunchtime on designated days (Fridays), Madison Academy is a closed campus. Students are not authorized to leave campus during the school day. Parents who request students to leave the campus must be aware that the students are not under the school's supervision during those times. **Students who leave for any reason must check out at the Upper School Office.** Students will not be permitted to check themselves out without parental permission.

GUESTS ON CAMPUS

Parents and Grandparents may visit Madison Academy during the school day. A visitor's pass must be received from the school office. Other guests must have prior administrative approval to visit on campus during the school day (including lunch time). Please make arrangements with the Upper School Office no later than the day prior to

Madison Academy

the visit. Failure to do so may result in the guest not being allowed to visit. Typically other school-age friends will not be allowed to visit on campus during the school day unless they are prospective students.

CHAPEL

Chapel is a time when students, faculty, visitors, and parents come together to pray, sing, listen to speakers, and edify one another. Students are expected to participate and not be a distraction to others. Anyone violating this policy will be disciplined appropriately. Eating or drinking is not allowed in chapel. Classroom cell phone/electronic equipment policy also applies during chapel time. Chapel attendance for students is required.

SCHOOL SUPPORT CLUBS AND ORGANIZATIONS

- LAMA (Ladies Association of Madison Academy) – provides support for the school through fundraising, volunteer efforts, and fostering friendship among women interested in Christian education.
- Athletic Booster Clubs – each sport has a booster club that assists in raising funds to buy equipment, pay officials, help with athletic facilities, etc. For more information on sport booster clubs, please refer to the MA Athletic Handbook, found on the MA website.
- Music Booster Club – provides volunteer assistance and fund raising support for the band and choral departments.
- Drama Booster Club – provides volunteer assistance and fund raising for the drama department.

CHILD ABUSE AND COOPERATION WITH GOVERNMENTAL AUTHORITIES

We take our responsibilities to report suspected child abuse, neglect, and abandonment seriously and will cooperate with governmental authorities in connection with their investigations. If you have any questions regarding the school's mandatory reporting obligations, please consult with a school counselor or administrator.

CHILD CUSTODY

In cases where parents are divorced, an affidavit of the court must be supplied to the school office in order to document the official custody arrangements regarding children enrolled at MA. Upon request, the school will provide school records to both parents unless supplied with official documentation prohibiting such. It is the parents'

Madison Academy

responsibility to provide the school with updates. Only the custodial parent will be allowed to check out a child from school unless the school has been otherwise notified in by the custodial parent. All students must live with at least one parent or an official guardian. Students may not live alone or with friends.

CONFIDENTIALITY

Counseling provided by our guidance counselors and teachers is confidential. Information obtained during counseling sessions will not be disclosed to any outside persons or agencies except when required by law (e.g., where there is reasonable suspicion of abuse of children, where the student presents the potential for harm to another or him/herself, etc.). As part of the counseling process, a counselor may consult with or receive supervision from another counseling professional.

RESOLUTION OF CONCERNS

As with any organization, concerns, complaints, and conflicts will arise from time to time among individuals in the school community. Using Matthew 18:15-17 as a guide, the following policy is established for the MA community in order to resolve complaints or make suggestions for changes to school policies:

First: Go to the person with whom you have a disagreement and attempt to resolve the issue. Any student complaint should be taken directly to the most relevant teacher, and guidance will be given to pursue a path of resolution. Students are never required to confront alone the individual with whom they have a grievance; in this case, it is recommended that the student seek the assistance of one of the school's guidance counselors regarding this meeting.

Second: If an adult has addressed the concern directly with the other involved individual and the concern is still unresolved, then he/she is encouraged to take the issue to the next level of authority as outlined below. If the concern is still unresolved at that level, please continue to proceed through each level as outlined below:

1. If no resolution is found, take your concern to the appropriate Upper School Administrator.
2. If you do not find satisfactory resolution there, raise the issue with the school president.

Madison Academy

3. After addressing it with the school president, you may address your concern in writing to the Board of Directors, if you still need assistance.

Please note that the Board will neither review anonymous complaints nor intervene in the issues where the concern is clearly addressed in published policies. The Board also recognizes the rights of all Madison Academy employees to be advised of complaints against them. The Board will not review a concern if one of the parties involved is not part of the MA family. Complaints alleging violations of the law will be reported to the appropriate civil authorities.

GENERAL SCHOOL POLICIES AND PROCEDURES

AFTER SCHOOL USE OF FACILITIES

Students are prohibited from using school facilities or equipment after school hours unless authorized by the school administration or under the direct supervision of an administrator, teacher, or coach. Note to student-athletes: Use of school facilities/equipment during the school year during non-school hours out-of-season may make a student ineligible by AHSAA rules.

CARE OF SCHOOL PROPERTY

A student is expected to pay for any property damage that is caused by his/her carelessness. Willful destruction of any property is subject to disciplinary action plus payment of damages.

CELL PHONE USE

Possession of cell phones at school is a privilege, not a right. Their use is limited to only certain times and places during the day. Their use during class or chapel is not permitted. Once a student enters a classroom, they are to be turned off, checked in and/or put away according to rules and procedures. Student's who abuse or disregard the use of cell phones are subject to (1) their phone being taken up and held to the end of the day, (2) the loss of cell phone privileges or (3) other disciplinary measures.

HEADPHONES

Headphones or earphones of any type are prohibited during the school day unless approved by a teacher for a class activity. This includes the use of (or visibility of) these during class change, breaks or lunch with any device.

UNAUTHORIZED USE OF LAPTOPS OR OTHER DEVICES

Laptops or other devices are to be used by students as a supplemental learning tool. Movies, videos, downloads, websites, etc. that are not a part of the learning process are prohibited during the school day.

RESPONSIBLE USE OF THE SCHOOL STORE (CORRAL)

The use of the Corral is a privilege for Madison Academy students. It is normally open before school, afterschool, during break time and class changes for students to enjoy.

Madison Academy

However, the irresponsible use of the school store due to tardiness, cleanliness, and unauthorized use, etc. will result in loss of privileges and other disciplinary measures as necessary. Eating in the classroom is discouraged. However, food and/or drink in classrooms will be a teacher specific decision.

FIELD TRIPS

From time to time, teachers arrange field trips for their classes. All regulations regarding the responsibilities of students while in school are applicable when on field trips or any school-sponsored activity. Required paperwork/permission must be turned in according to the set deadline. Transportation arrangements must be followed to ensure proper student safety.

GYM USE

No student is to be in the gym (including gym lobby, dressing rooms, fitness center, weight rooms, etc.) except when involved in a P.E. class, authorized activity, athletics or a game—and only then with supervision. Only those involved with athletic practice are to be in the gym after school or when school is not in session. Use of gyms must be scheduled through the athletic director or designee.

HONORS RECOGNITION

Excellence in academic achievement, athletic accomplishments, leadership, and service is recognized through many venues at all grade levels throughout each school year. The following are criteria for five of the highest honors presented in senior high at Madison Academy.

Valedictorian Award - given yearly to the graduating senior with the highest grade point average for academic subjects for grades 9-12. To be eligible for this award, the student must qualify for the Advanced Academic Diploma and have been enrolled at MA since the beginning of the senior year. Determination is made after completion of the first semester of the senior year.

Salutatorian Award - given yearly to the graduating senior with the second highest grade point average for academic subjects for grades 9-12. To be eligible for this award, the student must qualify for the Advanced Academic Diploma and

Madison Academy

have been enrolled at MA since the beginning of the senior year. Determination is made after completion of the first semester of the senior year.

Honor Graduate – is given yearly to each graduating senior earning an overall average of 90 or above in academic subjects in grades 9-12.

Mr. and Miss Madison Academy – a male and a female student selected annually during the first semester by the high school faculty and senior class for exhibiting the ideals of Christian behavior and citizenship. All eligible candidates must have completed their entire 10th and 11th grade years at Madison Academy with no record of serious discipline problems made inside or outside of school. Each candidate must have an overall academic average of at least 80.

Students of Distinction – During the first semester of each year, the Madison Academy faculty and administration votes on 11th and 12th grade students who exemplify outstanding scholarship, citizenship, character, leadership, service to others, and potential for future leadership.

HONOR SOCIETIES AND SERVICE GROUPS

Campus organizations for students include the National Honor Society, Mu Alpha Theta (Math Honor Society), Student Government Association (SGA), Spanish Honor Society, Spanish Club, Anchor Club, and Fellowship of Christian Athletes. All of these organizations require students to meet scholarship and character requirements.

ITEMS NOT ALLOWED AT SCHOOL

Water guns, matches, cigarette lighters, laser pointers, knives and other items of a disruptive nature are not allowed at Madison Academy without special permission of the teacher or administrator. Other items not listed may be barred as deemed appropriate by the administration. Teachers also reserve the right to bar certain items from their room at their discretion.

WEAPONS

Possession of any type of weapon is not allowed on campus and is grounds for immediate expulsion.

LOCKERS

Each student will be assigned a locker. Students must have approval from the office for a locker change. Items of value should not be left in lockers. The school will not assume any responsibility for loss of locker contents. Locks may be used. Locks may be obtained for a \$5 fee from the office. The lock may be returned in working condition at the end of the school year for a refund. If the lock is not returned, the fee is kept and the lock becomes the property of the student. Locks other than locks issued by the office are not allowed and will be subject to being cut off. The outside of lockers must be kept free from pictures, posters, stickers, etc. All items or pictures inside the locker must conform to the principles in the handbook. The administration reserves the right to check lockers periodically and remove inappropriate items. Student book bags and athletic bags must be kept in a locker or in an approved area; they are not to be left on the floor in the hall ways.

LUNCHROOM

Students are expected to eat lunch in the cafeteria. Students have the choice of either purchasing a school lunch or bringing their own lunch. Each student eating in the cafeteria should deposit all litter in wastebaskets and leave the floor, tables and chairs in a clean condition. Students are to go to and remain in the lunchroom during their assigned lunchtime.

MEDICATIONS

All medications will be maintained by our Director of Health Services, who is a registered nurse.

SENIOR LUNCH PRIVILEGE

It has been the practice of MA to allow seniors to leave campus for lunch on Fridays. This is a senior privilege which carries with it guidelines and responsibilities. This privilege will be re-evaluated throughout the year and will be subject to loss with student irresponsibility. Students will be dismissed from their pre-lunch classes 10 minutes early and will be allowed to go to their post-lunch classes 10 minutes late, making their lunch period 50 minutes in length. They will not be allowed to leave early, and they must not be tardy for the period after lunch. Students who abuse this privilege with tardiness or misbehavior will forfeit their senior lunch privilege for themselves and possibly the class.

Madison Academy

Students in other grades are not to ride with seniors during lunch. Doing so will result in disciplinary action against all students involved.

STUDENT DRIVING PRIVILEGE

Driving is a privilege, not a right at MA. Students must register cars with the office and obtain (for a nominal fee) a parking sticker to be placed in the designated area of the vehicle. Upon arrival at school, students will park their cars and not return to them until school is out unless permission from a staff member is granted. Students should drive slowly on school grounds and park only in their designated parking space. Students should understand that their vehicles are subject to being searched while on campus. Student privileges to drive and/or park on school grounds may be revoked for any of the following reasons:

- Parking in staff areas, undesignated parking areas (handicap, double parking) or other student's spaces
- Unsafe driving—formal complaints may be filed with the city police department in addition to loss of Madison Academy parking privileges.
- Unauthorized visits to cars during the school day.
- Hanging out around/in cars before, during and after school.
- Failure to follow directions concerning parking, returning to car, etc.
- Reasonable suspicious activity surrounding a vehicle.

TEXTBOOK USE

The student is responsible for maintaining his/her textbooks. Fines will be assessed by administration if the material is lost, damaged, or defaced.

TEXTBOOK/SUPPLEMENTAL READING SELECTIONS

Careful consideration is given to all textbook and supplemental reading selections. It is our policy, when objectionable subject matter is found in some books, to help our students reach a mature, Christian attitude in dealing with such. We strive to relate Bible principles to everything that is taught, making these principles relevant to the students' lives now, as well as in the future.

The textbooks at Madison Academy have been chosen after careful review because of their overall academic strength and coverage of the topics. However, most of our textbooks are the product of secular publishing companies and are not written from a

Madison Academy

Christian worldview. Therefore, not all the views in the textbooks are consistent with a Biblical view of God as the Creator and Sustainer of the creation and of life itself. In those areas where the textbooks might be in conflict with this Biblical understanding, the class instructor will balance the textbook discussion with this Biblical perspective. We believe all truth is God's truth. Further, it is the school's belief that a student's faith is actually strengthened by studying from a secular textbook within the Christian school classroom so that the student can understand that man's wisdom truly is foolishness when in opposition to God's truth (cf. 1 Cor. 1:18-25).

UNAUTHORIZED STUDENT EVENTS

Unauthorized student body events are not protected by Madison Academy liability insurance. An example of this would be senior (or any grade) skip day; or any group or subgroup. Consequently, Madison Academy prohibits events of this nature and may pursue any and all penalties available against participating seniors. There will be no authorized student skip days.

Closely associated to this is the unauthorized practice of "school pranks". These practices are not authorized or approved. Students (or student groups) involved will be held accountable, along with any monetary costs or labor involved in clean up or restoration. Students (or groups) involved run the risk of losing privileges, awards and honors.

WEATHER

During a weather-related emergency, we will announce any closings or delays on local TV, through MA E-News and Parent Alert.

INTERNET, SYSTEMS, AND DEVICE USAGE POLICIES

Internet access provided to Madison Academy students, teachers, and staff is to promote educational excellence by facilitating resource sharing, innovation, and communication. The use of the Internet must be in support of education and research and consistent with the educational mission of Madison Academy. All persons using the school's computers, the school's computer network, or personal computers on school property or over the school's network are required to abide by the following guidelines. While the school monitors Internet usage on campus, parents are responsible for teaching sound, safe, responsible Internet practices in the home setting. Responsibilities come with the use of

Madison Academy

the Internet. Violations of the following guidelines may result in the revocation of access privileges and possible disciplinary responses. Please read the following carefully.

Responsible Use:

- Be polite. Use appropriate language. Remember that you are a representative of Madison Academy on a non-private system. The use of vulgarities, swearing, or any other inappropriate language is forbidden. You may be alone at your computer, but what you say and do can be viewed globally.
- Respect the privacy of other users. Accessing the accounts and files of others is prohibited. For example, users shall not intentionally seek information on; obtain copies of; modify files, other data, or passwords belonging to other users; or represent themselves as another user unless explicitly authorized to do so by that user. Using someone else's password or posting a message using someone else's log-in name is a form of dishonesty and will be treated as such. Misrepresenting the identity of someone else through technology is prohibited (e.g., doing an assignment on the computer for someone else). Identity theft is prohibited.
- Respect the integrity of computing systems. For example, users shall not intentionally introduce, develop, or attempt to develop programs that harass other users, infiltrate a computer or computer systems, and/or damage or alter the software components, a computer, or computing system.
- Keep all pornographic, offensive, defamatory, or illegal material or files dangerous to the integrity of the network from entering the school via the Internet.
- Hate mail, harassment, discriminatory remarks, and other antisocial behaviors are prohibited.
- Illegal activities of any kind are strictly forbidden.
- Report any misuse of technology to any administrator or any teacher.

Internet Safety: Students should never give out personal information (address of school, date of birth, social security number, credit card number, etc.) over the Internet. Students should also not meet with someone they have contacted on-line without prior parental approval. Safety is the responsibility of the parent and student. The school is not liable in any way for the irresponsible acts on the part of the student.

Madison Academy

Pirated Software: Respect the legal protection by the copyright and license laws of programs and data. The term “pirated software” refers to the use and transfer of stolen software. Commercial software is copyrighted, and each purchaser must abide by the licensing agreement published with the software. There is no justification for the use of illegally obtained software. The school will not, in any way, be held responsible for a student’s own software brought to school for personal use.

Chat Rooms, E-Mail, Instant Messaging, and Social Networking Sites: The school’s filtering software has been set to block chat rooms and social networking sites. Their use while on campus or while using school equipment is prohibited. At any time (whether or not using school technology), students are prohibited from making, distributing, or posting any materials that are obscene, libelous, or slanderous. Students are also prohibited from making any comments that imply a clear and present danger of the commission of unlawful acts on school premises, the violation of school rules, or the substantial disruption of the school’s orderly operation. In addition, any person who believes that he/she has been harassed or threatened by any of these methods of communication should immediately report the concern in accordance with the school’s No Harassment/No Bullying Policy (p. 14). Students should also be aware that teachers and administrators periodically check such sites and may determine that off campus behavior violates the school conduct code. Additionally, making disparaging or negative comments about the school, administration, or faculty member in a manner that is disruptive to the school’s mission will be addressed as a disciplinary matter.

Off-campus student expression, including but not limited to student expression on off-campus Internet web sites, is generally constitutionally protected but shall be subject to discipline when such expression poses a direct threat to the safety of students or school personnel. Conduct of a student off campus that, for any reason, materially disrupts the class day or involves substantial disorder or invasion of the rights of others is not protected by the constitutional guarantee of free speech.

Viruses: Every effort is made by the school to keep our system virus-free. Even with the best techniques, however, computer viruses can be transmitted to and from any computer. The school is not responsible for the transmission of any virus or for damage suffered from a virus.

Madison Academy

Computer Care: Members of the school community will not abuse, tamper with, or willfully damage any computer equipment, use the computer for other than appropriate work, or bring food or drink into any computer area. Any intentional acts of vandalism will result in discipline, and students will be held responsible for replacement or repairs.

Reporting Requirements/Discipline: Any student who accesses inappropriate material on the Internet, or who receives harassing, threatening, or inappropriate materials via e-mail or on the Internet, must immediately report the concern to the teacher who is supervising the activity or to an administrator so that the situation can be investigated and addressed appropriately. Students who violate any aspect of this Computer and Systems Usage Policy will be subject to appropriate discipline and loss of computer and/or Internet privileges.

School's Right to Inspect: Madison Academy, through its designated representative(s), reserves the right to access, read, or delete any information stored on the network. Individual access to the Madison Academy computer information system may be monitored. This includes student work, e-mail, or other files on the network. Whether certain acts are inflammatory, harassing in nature, sexist, racist, obscene, or pornographic shall be determined by the Principal or his/her designate and disciplinary action may ensue. Do not assume that any messages or material on your computer or the school's systems are private.

Responsible Use of Device:

Students that have a Madison Academy laptop or iPad assigned to them are required to adhere to all provisions and conditions set forth in the Responsible Use Policy. (See the Responsible Use Policy on the school website.) Any violation of this policy will result in disciplinary action, including the possibility of the loss of technology privileges. Students are to report any known violations of this policy to appropriate administrative staff members. Any infractions of the Laptop and iPad Rules and the Responsible Use Policy may result in limitations imposed on the student's technology use. Madison Academy takes no responsibility for violations conducted on school computers, laptops and iPads and/or materials stored on computers, laptops, or the network.

Madison Academy has the capability, via third party software, to utilize the camera system on the MacBook, but will only exercise this capability with the full notification and

Madison Academy

agreement of the parent or guardian of the child. An example use of this capability would be to recover a stolen laptop.

Laptop and iPad Rules:

- No unattended laptops or iPads
- No laptops or iPads in the Cafeteria
- No laptop bag without a school-issued ID
- No laptops or iPad left exposed in cars
- No use of laptops or iPads in the restrooms or the locker rooms
- No markings or stickers on the laptop or iPad itself
- No inappropriate screen savers and/or backgrounds
- No rough handling of laptops or iPads
- No unauthorized email during class (unauthorized email is email that does not involve school or school-related activities and email that is a distraction to study)
- No unauthorized game-playing during the school day
- No ichatting and/or Internet shopping during the school day
- No watching movies during the school day
- No sharing of music over the school network
- No using proxies to get to blocked sites
- No using emails of an abusive or harassing nature-no cyberbullying
- No mass emails
- No loaning/borrowing of another student's or teacher's laptop or iPad

Consequences for laptop or iPad violations: Consequences will be determined by a Technology Disciplinary Committee made up of the Principal and members of the IT staff. The consequence(s) will fit the infraction; possible consequences include:

- Loss of technology privileges* for up to one week and a letter to parents
- Loss of technology privileges* for up to one month and a meeting with the parents
- Loss of laptop or iPad and suspension from school.

* Loss of technology privileges includes, but is not limited to, the loss of iTunes, the DVD player, iPhoto, iChat, GarageBand, mail, and browsers, i.e., recreational

Madison Academy

applications.

Note: Damaged or stolen laptops or iPads will require an incident report signed by a parent and submitted to the IT department before a loaner is issued

CODE OF CONDUCT

The general philosophy of discipline at Madison Academy is to create self-discipline in each of our students. In the real world, choices and consequences are a natural part of our lives. Students need to learn that the choices they make will have consequences. A discipline program, such as we adhere to at Madison Academy, based upon the use of natural and logical consequences provides opportunities for our students to learn from their mistakes. By dealing with consequences, our students learn that they are responsible for their choices and actions.

While discipline policies and those who administer them are not infallible, and while there may be differences of opinion at times, we request and expect students and families to abide by the standards of behavior outlined in the contents of this handbook. We believe the discipline policies are based on solid educational principles and common sense. The Board, administration and faculty of Madison Academy believe that being a student at MA is a privilege, not a right. In keeping with this philosophy, we have set basic policies, rules, regulations and procedures by which our school will function. All students at MA are expected to follow these guidelines.

As a private Christian School, Madison Academy reserves the right to deny admission to any student. Madison Academy also reserves the right to dismiss any student at any time during the year whose actions or general attitude reflect negatively or is contrary to the interest of the school; including the right to not allow a student to return for the next year. In addition, a student may be dismissed if the actions of the student, the parents, or guardians, in the opinion of the school, seriously interfere with the school's ability to accomplish its educational and spiritual goals.

ACADEMIC HONESTY

The following descriptions have been adapted, in large part, from the work of Northwestern University in its policy on Academic Integrity. **Academic dishonesty is a major offense, so a student should expect a steep consequence, including a zero on the assigned work. If a student establishes a pattern of academic dishonesty (defined as more than one offense), a parent conference will be required and serious consequences will be incurred i.e. suspension from school (zeroes for all**

classwork missed), suspension from extra-curricular activities, behavior contract, etc.

Cheating: Cheating is using unauthorized notes, study aids, or information on an exam or assignment; altering a graded work after it has been returned, then submitting the work for re-grading; allowing another person to do one's work and submitting that work under one's own name; submitting identical or similar papers for credit in more than one course without prior permission from the course instructors. A student who gives his/her work to another student to copy is considered guilty of cheating, as well as the student copying the work.

Plagiarism: Plagiarism is submitting material that in part or whole is not entirely one's own work without attributing those same portions to its correct source(s). Diana Hacker's A Writer's Reference states: "To be fair and ethical, you must acknowledge your debt to the writers of any sources you use. If you don't, you commit plagiarism, a serious academic offense. Three different acts are considered plagiarism:

- Failing to cite quotations and borrowed ideas,
- Failing to enclose borrowed language in quotation marks,
- Failing to put summaries and paraphrases in your own words

Obtaining an Unfair Advantage: Dishonesty is inherent in gaining an unfair academic advantage. Such actions include the following: stealing, reproducing, circulating, or otherwise gaining access to examination materials prior to the time authorized by the instructor; unauthorized collaboration on an academic assignment; retaining, possessing, using, or circulating previously given examination materials without permission; otherwise undertaking activity with the purpose of creating or obtaining an unfair academic advantage over another student's academic work.

Aiding and Abetting Academic Dishonesty: When a student provides material, information, or other assistance with knowledge that such aid could be used in any of the violations of Academic Honesty, that student is guilty of Academic Dishonesty. Further, providing false information in connection with any inquiry

Madison Academy

regarding academic integrity or failing to provide information in such an inquiry is also considered aiding and abetting Academic Dishonesty.

Unauthorized Access to Computerized Academic or Administrative Records or Systems: Viewing or altering computer records, modifying computer programs or systems, releasing or dispensing information gained via unauthorized access, or interfering with the use of availability of computer systems or information is a violation of the school's Academic Honesty policy.

ATTENDANCE POLICIES

The philosophy behind our attendance policy is to teach the value of punctuality and regular/consistent attendance in the workplace. For students, the school is their workplace. We would ask that parents work alongside us and reinforce this critical practice of being punctual to school and class, along with being regular in attendance.

We believe that good attendance is necessary for the maximum benefit of a student's learning. Class participation, interaction, teacher explanations, and other in class activities cannot be "made up." There is a direct relationship between strong attendance and class success.

This policy has been developed to encourage good attendance and help develop good time management habits that will benefit the student for life.

Excused Absences

- All school-related absences, doctor's excuses, absences due to extenuating circumstances and administratively approved absences will be excused.
- Doctor visits will be excused, but doctor notes should be submitted within three (3) days after returning to school. Notes turned in beyond this three-day window are subject to being counted as an unexcused absence.
- Five (5) parent notes will be excused, per semester. A parent note should be submitted within three (3) days after returning to school, or the absence will be subject to being counted as an unexcused absence.
- More than five "parent note" absences, whether planned or unplanned, are subject to being counted as unexcused without a doctor's note or evidence of extenuating

Madison Academy

circumstances. Administrators will use discretion to determine whether the absence is excused.

- Planned, pre-approved absences--family trips, travel ball play dates, etc. -- must be submitted to an administrator as soon as possible, and teachers should be notified as well. Unless there are extenuating circumstances, we ask for no less than one-week notification before the absence(s). Students who communicate planned absences in advance have the advantage of coordinating makeup work with the teacher(s). Teachers have the prerogative to require that makeup work be completed in advance of the absence(s).
- College visits--juniors and seniors are allowed three (3) days per year to visit various colleges and universities--must be submitted to the administrator no less than one week before the scheduled visit. Teachers have the prerogative to require that makeup work be completed in advance of the absence(s).
- All makeup work for excused absences, whether planned or unplanned, including tests, homework, projects, and written assignments, must be made up within a reasonable timeframe (3 class periods).
- For more specific requirements regarding make-up work of individual assignments, classwork, or tests, students should consult each teacher's class syllabus as it is considered the primary source of each teacher's expectations and practices.

Unexcused absences

- Students with an additional unexcused absence beyond that allowed by policy are subject to grade reductions for work missed, along with other appropriate disciplinary consequences.
- Students with excessive unexcused absences (5 or more than allowable by policy) are subject to an increased level of disciplinary consequences up to and including loss of credit.

Tardies

- Five tardies to any particular class, either when arriving at school or during the school day, will be subject to disciplinary action at the classroom level or office level. Teachers may use their discretion as to what constitutes an excused tardy.

Coats and jackets worn during the school day must be either the Spirit Wear jacket that is available at Educational Outfitters or Lands End, or an approved jacket of the school organization of which the student is a member. All other coats or jackets are to be placed in the student's locker upon arrival to school.

Note: The Board has approved allowing students to wear khakis outside the two vendors that we currently have provided they are presentable and meet criteria standards (length, tightness, standard color, etc.) Khakis must be closely matched to the standard uniform khaki color that is available from our uniform vendors i.e. Educational Outfitters and/or Lands' End. This change applies only for the lower dress. All tops, shirts, t-shirts, jackets, button downs, etc. will still require the MA LOGO and approved spirit wear criteria.

- Spirit Wear slacks/skirts must be worn

“Event Wear – Game Day Wear”: We recognize the benefit to overall school spirit and individual pride of involvement when students are allowed to wear attire that promotes and recognizes their participation in an event where they are representing Madison Academy i.e. athletics, arts, clubs, etc.. To afford students this privilege, we have adopted the following policy on “Event or Game Day Wear” attire:

1. All “Event Wear” attire worn during the current school year must be approved by the administration or designee. Proposed attire must fully meet the intent of Spirit Wear.
2. All groups will be permitted to wear an approved top, but must wear approved Spirit Wear bottoms

Note: Coaches and Sponsors will be responsible for helping monitor the dress of their own players and members on days of events.

DRESS CODE--School events

Students who are dressed inappropriately at an extra-curricular school event may be barred from participating or attending. Guests of MA students are also expected to comply with the dress code.

Apparel worn to games, spectator events, or other extra-curricular activities should not:

- Be revealing or immodest (no short shorts, no sheer or low cut tops)
- Promote drugs, alcohol, or behavior that is inappropriate or against the behavioral standards of Madison Academy

Homecoming Court and Junior-Senior Banquet attire should not expose:

- Cleavage
- The small of the back. (The back of the dress should fall no lower than half way between the natural waste line and the shoulder blades. This is approximately 3 inches above the natural waistline or 3 inches below the shoulder blades depending on the height of the young lady.)
- Chest or midriff
- Leg more than 3 inches above the crease at the back of the knee

If any questions arise, a Dress Code Committee or designees will meet to review and approve garments for the Homecoming Court and Junior/Senior Banquet.

DISCIPLINE GUIDELINES

Madison Academy students are expected to be good citizens, maintain a wholesome attitude, respect their fellow students, and show respect for the administration, faculty, and staff.

Teachers will handle discipline problems in the classroom using appropriate disciplinary procedures (see individual teacher's syllabus for classroom expectations). For serious problems, the teacher will refer to an administrator or designee, who will take appropriate action. If needed, a conference with the parents, teacher(s), student, counselor, and/or administrator will be arranged.

A parent(s) who disagrees with a discipline decision may request a hearing with the Upper School Administration. If disagreement still exists after this meeting, the parent(s) may

Madison Academy

request a meeting with the President. If there is still dissatisfaction with the discipline decision, the parent(s) may appeal to the Board of Directors. It should be noted that all disciplinary actions, including suspension or expulsion, will remain in effect until the Board renders a decision. Board decisions are final.

BEHAVIOR PROBATION

Students may be placed on behavioral probation when any of the school's regulations are flagrantly violated. The student's behavior will be monitored closely to determine if the student will be allowed to continue at Madison Academy, and any careless act or

Madison Academy

questionable attitude will be a basis for dismissal. Also, students placed on behavioral probation risk forfeiture of his/her privilege to participate in extra-curricular activities, including athletics and field trips, at the discretion of the administration, sponsors and coaches. While on behavioral probation, a behavior management contract will be drawn up stating expectations the student must meet in order to continue attending Madison Academy. At the discretion of the administration, students may be placed on behavioral probation at the beginning of a new school year based upon behavioral problems displayed during the previous school year.

DRUG AND ALCOHOL POLICY

For the purpose of this policy, Madison Academy defines “drugs” as the following:

1. Illegal substances, drug paraphernalia, and/or alcoholic beverages
2. Known over-the-counter medications, prescription medications, or other substances which can be used for mind-altering experiences, unless such medication is registered with the School Nurse as treatment for the student from a physician

Statement of Expectation

Possession, transfer, sale, or use of drugs, or alcoholic beverages on campus, or at any school-sponsored extra-curricular activity, is strictly prohibited. Furthermore, students observed to be under the influence of any illegal substance on campus, or at any school-sponsored extra-curricular activity, are subject to immediate disciplinary action. See Discipline Clause.

Drug Testing

Any parent may be required at any time to have his/her child undergo a drug test at parent expense and to submit the results as a condition to remain at Madison Academy. Refusal to comply with this policy or a test result that reveals use of an illegal substance (including but not limited to marijuana, cocaine, etc.) may result in immediate dismissal.

Searches

Random drug searches may be made at any time.

Madison Academy

Voluntary Admission: Any student who voluntarily admits drug or alcohol use prior to discovery by observation or random testing/search is subject to the Recovery Program Clause (see page 24).

Non-Voluntary Admission: Any student who, through random testing, searches, or observation by a school employee, is found to have used drugs or alcohol is subject to the Discipline Clause (see below).

Discipline Clause: Out-of-school suspension may be immediately enforced while investigation is underway and further disciplinary actions are being considered by an administrator or designee. A decision will be rendered as soon as possible. The Recovery Program Clause (see below) may also be enacted at the Committee's discretion.

Recovery Program Clause: For students who are not expelled, a recovery program will be instituted to reflect the specific drug policy infraction. This program will be under the jurisdiction of the school's administration and may include, but is not limited to, the following:

1. A required schedule of substance testing
2. A defined counseling plan
3. Behavior Probation / Contract

The administrative committee will present their decision to the student and parents, with the understanding that the requirements set forth by the Committee are to be met completely. Failure to adhere to the specified recovery program will result in expulsion or dismissal from Madison Academy.

HARASSMENT/BULLYING

Madison Academy is dedicated to fostering an environment that promotes kindness, acceptance, and embraces differences among individuals. Therefore, the school will not tolerate any type of harassment or bullying. Harassment includes, but is not limited to, slurs, jokes, and other verbal, graphic, or offensive conduct relating to race, color, sex, or national or ethnic origin. Bullying includes, but is not limited to, physical or verbal aggression (hitting, kicking, taunting, teasing, threatening, ridiculing, etc.), relational

Madison Academy

aggression (harming or threatening to harm relationships or acceptance, friendship, or group inclusion), and emotional aggression (teasing, threatening, intimidating others). The school also prohibits cyber bullying (creating websites, instant messaging, e-mails, using camera phones, posting messages on social networking sites, or using other forms of technology to engage in harassment or bullying).

All students share responsibility for keeping the school environment free from harassment and bullying. Students should report incidents of harassment and bullying to a teacher or an administrator. When the school administration becomes aware that harassment or bullying may be occurring, they will investigate the situation. Any student found to have violated this policy will be subject to disciplinary action, up to and including dismissal from school. No adverse action will be taken against any person who makes a good faith report of alleged harassment or bullying.

SEXUAL HARASSMENT

Madison Academy students are entitled to an environment free from all forms of discrimination, harassment, or coercion of any kind. We expect all students to treat each other with courtesy, dignity, and respect and do not tolerate violation of federal and state laws prohibiting sexual harassment. Sexual harassment is a form of misconduct constituting a serious offense and subjects the offender to disciplinary action up to and including removal from school. Sexual harassment has been defined as unwelcome sexual comments; unwelcome sexual advances; requests for sexual favors or physical contact of a sexual nature; or creating a hostile, abusive, or offensive environment due to sexually suggestive conduct. Students who believe they are targets of sexual harassment should report such conduct immediately to any administrator. An investigation of the alleged incident will be conducted and appropriate corrective action will be taken. To the extent consistent with adequate investigation and appropriate corrective action, any complaints of harassment will be treated as confidential. Retaliation against any student who, in good faith, reports a claim of harassment or cooperates in the investigation of any such claim will not be tolerated and will in itself be subject to appropriate disciplinary action.

SEARCHES

The school reserves the right to inspect and conduct a search of a student's locker, book bag, backpack, computer, vehicle, and any other possession or property on the school premises or on a school-sponsored trip. Inspections and searches may be conducted on

Madison Academy

a routine or random basis, as deemed necessary. Further, the school has the right to seize and permanently retain property disclosed by an inspection or search which is considered potentially harmful, dangerous, illegal, or inappropriate, the possession of which is a violation of the school's rules, community standards, and/or local and state law.

SELF-REPORTING VIOLATIONS

Parents and students are encouraged to self-report serious infractions to the administration. Open attitudes and communications demonstrate that the student recognizes the need for honesty and taking responsibility for his/her actions. On the other hand, students who try to cover up infractions, deflect blame, or otherwise obfuscate the truth will be subject to steeper disciplinary measures.

SEXUAL MISCONDUCT

MA upholds a Biblical view of sexual morality (1 Thessalonians 4:3-5). Students should not engage in sexually-promiscuous behavior on or off campus. Violation of this policy could result in serious disciplinary action up to and including suspension, dismissal from school or student expulsion.

Students who disrupt the school environment by promoting promiscuous practices or beliefs or by professing a certain orientation are subject to disciplinary action up to and including dismissal or expulsion of the student. The administration reserves the right to use its own discretion to determine, on a case-by-case basis, what constitutes disruption of the school environment. The administration also reserves the right to make inquiries of students and parents regarding these issues and to expect truthful responses.

MATERNITY/PATERNITY

In the event a female student becomes pregnant or a male student causes a pregnancy, we want what is best for the prospective parent(s) and child. Pregnancy itself is not a sin, and, in implementing this policy, we want to be clear to not confuse the act of immorality with the value of the child. MA values the sanctity of life. The purpose of this policy is intended to be restorative in nature. We want to encourage and foster an atmosphere of compassion and support in which a pregnant student will feel strengthened in her decision to preserve her pregnancy and will not, at anytime, feel compelled to seek an abortion. However, in an effort to support what is best for the prospective parent(s) and the child, it is important for all parties to understand that young

Madison Academy

men and women facing parenthood face special difficulties as they prepare to bring a new human life into the world, and we do not believe, in most situations, that MA will be able to meet the physical, emotional, and spiritual needs of a student facing such situation. It is our anticipation that the long-term educational plan for such student(s) will likely involve a transition to an environment better-suited to meet the student's new needs.

Accordingly, when a current MA student becomes pregnant or aware that he is a prospective parent, the student should immediately inform the administration of the situation. The student's parents should accompany the student to a meeting with the administration as quickly as reasonably possible to discuss a plan to assist the student in preparing for what lies ahead. The student will be placed on out-of-school suspension for a limited period of time for the parents, student, and the administration to work together to develop a transition plan that is in the best interest of the student's continued spiritual and academic future. The goals of the transition plan will be (i) to assist the student in making plans for his/her future and the future of the child (ii) to get the student to a point academically that will enable the student to more easily continue his/her education in whatever manner is recommended by the administration or otherwise determined by his/her parents, and (iii) to encourage and restore the student spiritually during a difficult and stressful time in the student's life.

If the administration determines that homebound coursework is warranted under the circumstances, continued enrollment at MA will be subject to the following conditions:

1. Abortion is not an option to be considered in dealing with the pregnancy.
2. Parents and student must agree to ongoing counseling with their minister or a Christian counseling professional.
3. The student must attend and complete pregnancy counseling/parenting classes with a Christian counseling program.
4. Academic standards of the school must be maintained.
5. The student must forfeit any student leadership positions and will not be allowed to participate in student activities.
6. The student may be subject to additional fees that will be assessed to compensate for the additional time and resources that may be needed to provide and monitor meaningful homebound coursework. These fees will be discussed with the family in connection with the development of the transition plan.

Madison Academy

MARRIAGE

Madison Academy is a coeducational institution that expects students to maintain high standards of moral purity and remain accountable to their parents or guardians. Married students are classified by law as adults and are no longer subject to the will of their parents. Additionally, the educational environment of MA is not designed to respond to the needs of young, married persons. Therefore, married students will not be enrolled and will be terminated from enrollment in this school should a student get married.

Cohabitation is an unacceptable lifestyle. A student living under such conditions will neither be accepted for enrollment nor permitted to continue attending MA.

NOTE: The above policies relating to sexual promiscuity, pregnancy, and marriage govern both male and female students.
